Sir,

Buildings - Government - (South Kanara) - Coondapoor Taluk - Kollur village - Police Sub Inspector's quarters - Disposal.

****

In B.P.Routine No.409, dated 16th January 1929, the Board ordered the Police Sub Inspector's quarters at Kollur to be taken over by the Revenue Department and sold with the site in public auction. The building in question was handed over to the Revenue Department on 1st April 1929.

As the plot S.No.42/8B on which the building is situated, stood registered as "poramboke", steps were taken to have the plot transferred to 'Ayan' as both the building and the site had to be sold. The auction sale was posted for 26th August 1929, but for want of bidders, it was adjourned to 5th October 1929 when a large number of people were expected to assemble there for the Navarathri festival. Even then the Revenue Inspector who was deputed to conduct the sale could not obtain any bids and the Tahsildar resolved to conduct the sale himself on 9th December 1929. The Tahsildar reports that there were only about half a dozen bidders present and the highest bid fetched was Rs.400/-; but that the bidder was not able to make the deposit of 25 per cent of the purchase price. Even the other bidders pleaded their inability to make the deposit, as they were under the impression that the sale was not likely to be confirmed on account of the inadequate price fetched and that

it would cause them needless expense and trouble to get back the deposit amount.

The building is built of laterite. The roof is of Mangalore Tiles and ceiling tiles, The floor is of concrete and mission tiles. The Public Works Department book value is Rs.2810/-. I, therefore, consider that the price obtained at the auction sale is very inadequate. Rather than sell the building at such a loss, I am of opinion that we should transfer the building to the Forest Department. The District Forest Officer, Mangalore North who was consulted is prepared to take over the building if it is transferred free of cost. I solicit orders.

Your obedient servant,

For Collector.
